Memorandum

TO: Proposers on RFP # 317.03-091
Premise Wiring, Equipment Installation, and Configuration Services

FROM: Travis Johnson
Premise Wiring RFP Coordinator

SUBJECT: Rejection of Proposals and Cancellation of RFP

DATE: July 29, 2003

In accordance with Tennessee Code Annotated section 12-4-109(a)(1)(C)(ii) and RFP sections 3.20 and 3.21.1, the Commissioner of the Department of Finance and Administration has rejected all proposals in response to RFP # 317.03-091 and cancelled said RFP. This cancellation is due to an error in the RFP, which failed to provide instructions to proposers with regard to proposal labeling requirements that may be applicable under TCA section 62-6-119.

The State plans to re-issue the procurement. Thank you for your interest in doing business with the State of Tennessee, and we hope that you will participate in future procurements.
